

WASTE FACILITY OPERATION

North Hanover Township operates a waste facility, which is located on Meany Road, just off of Route 528, for Township residents.

All residents are required to recycle their household trash such as newspapers, cardboard and bottles and cans. Bottles and cans may be combined. Residents are NOT required to purchase an annual sticker to recycle these items.

Township residents can purchase an annual sticker for \$60. (There is a \$10 late fee beginning February 1.) This permits residents to utilize the Township's trash compacting service for all standard household rubbish.

Check or money orders are accepted at the facility or residents can make a cash payment at the Municipal Building located at 41 Schoolhouse Road. A written receipt is given to the purchaser and can be taken to the waste facility in exchange for an annual permit sticker. **A permit sticker can only be obtained from the waste facility.**
